# BOHEMIA SPORT <sup>LION</sup>

BOHEMIA SPORT is a brand with strong roots in Czech and European market since 1928. Our main product in the present is our wooden deckchairs made out of high quality beech wood. Our complete assortment includes stools, chairs, flags, sledges, hockey sticks and wooden briquettes.

Carpenter, printing, sewing and assembly workshop in one company ensures minimal time of realization. We focus on high quality, professional customer service and upholding agreed dates.

Our products are certificated and they are produced with applicable standards. Cooperation with our company is comfortable and creative, so we can produce the best quality products.
